

## Celebrating our 10th anniversary

Calibration Services                      Scales                      Environmental Chambers  
Replacement Parts                      Proven National & Worldwide Capabilities  
Work Completed at Your Location or in Our Laboratory

### Which calibration certification do you require?

All calibration certificates are NIST traceable  
ISO/IEC 17025 Accredited                      ISO 9001/9002  
NAVSEA Certified "7A1"                      ANSI/NCSL Z540-1

### Distributor for New and Used Product Lines

If an item fails calibration or is beyond repair we can replace it.  
We don't just tell you about the problem. We solve it.

We're distributors for several major brands.

Drager Gas Detectors	McDaniel Controls
BW Technologies	Meriam Instruments
BioSystems	Moeller Instruments
Brighton Instruments	Winter's Instruments
Dwyer Instruments	Perma-Cal
Defelsko/Positector	ReoTemp
Foreign Ship Instruments	CDI Torque
Crompton/Yokogawa	Brannan Thermometers
Mannix/General Tools	Weiss Instruments

### Calibration Service Guide

See our line card or call for details

Thermowells	Gauges (MIL-SPEC & Commercial)
Panel Meters	Current/Potential Transformers
Pressure Relief Valves	Differential Pressure Instruments
Control Switches	Torque Wrenches & Screwdrivers
Thermometers	Torque Calibration Standards
Test Equipment	Tachometers/Timers/Counters
Testex Tape	Transducers & Transmitters
Dimensional Tools	Bresle Patches
Diaphragm Seals	Paint Thickness Gauges
Scales	Laboratory Balances
Temperature/Humidity/Dew Point Indicators	
Hand Held Multimeters/Clamp-on Meters	
Multi-gas Detectors and O <sup>2</sup> Analyzers	

### Chambers Service Guide

See our line card or call for details

Preventative maintenance      Modification      Refrigerant Recovery      Repair and Retrofits  
Relocation of existing and used chambers                      Large Project Experience

Temperature Chambers	Temperature Humidity Chambers
Thermal Shock Chambers	Altitude & Space Chambers
Salt Spray Chambers	Temperature and Test Plates
AGREE Chambers	ESS Chambers
HAST Chambers	HALT Chambers
